MONTE CARLO

Night

MONTE CARLO NIGHT IS ONE OF OUR TWO LARGEST FUNDRAISERS OF THE YEAR. THE HOME OF THE PHILADELPHIA EAGLES, LINCOLN FINANCIAL FIELD, IS TRANSFORMED INTO A BUSTLING CASINO WITH FOOD, OPEN BAR (BEER AND WINE), TOURS, MUSIC, PRIZES, AND OF COURSE, CASINO STYLE GAMES!

With over 20 gaming tables and professional dealers from area casinos, it's a night of fun and excitement that benefits kids and families in our region. This event and everything we do to help kids would not be possible without the generous support of our sponsors. Included is an overview of sponsorship opportunities for Monte Carlo Night starting at just \$500!

MISSION & VISION

Our mission is to help heal hearts and create little smiles by providing gifts and fun activities to children impacted by serious illness, Trauma and Tragedy.

- ★ We will be accessible to all children in need.**
- ★ We will expand our services and activities.**
- ★ We will provide inspiration and motivation.**

The Philadelphia Chapter was founded in 2007 by Jeff Mullen and Steve Grandizio after being inspired by the work of our founding chapter in Florida. Since then, Little Smiles of Pennsylvania has partnered and served hospitals, shelters and other children's services throughout the tri-state area.

OUR PROGRAMS, WITH YOUR SUPPORT

JUNK FOOD RUNS

Little Smiles signature service is facilitating monthly “Junk Food Runs” for some of our partners. Hospital food can get very boring, very quickly and sometimes a pizza party or a special treat is just what a patient needs to feel like a kid again.

***covid has really changed the world and is shining a bright light on the needs of our most VULNERABLE. Little smiles has done some AMAZING work since its inception. With your support, we can do so much more! The Asterisk (*) Denotes new initiatives we plan on implementing over the next few years.**

HEARTS APART*

This program provides military kids and their families with social activities that allow them to come together, build friendships and ease the strain of separation from their loved ones.

ART + MUSIC = SMILES*

The program is designed to provide events that incorporate creative arts, music and other fun activities with the intention of providing a distraction from the hospital environment. We strive to make the setting a more comfortable and less stressful climate for a few hours to help the children escape their challenging situations. These events allow inpatient as well as outpatient children and families to attend.

SMILES FOR SERVICE*

This is an opportunity to celebrate the children of the many men and women who sacrifice so that others may live in comfort and peace. It is easy to forget that Nurses, Doctors, Members of the Armed Forces, Police Officers, Fire Fighters, EMTs, Teachers etc are also Moms and Dads! If you selflessly serve, we will celebrate you and want to support you and your family!

LITTLE THINGS FOR LITTLE SMILES

With the guidance of local professionals such as doctors, nurses, child life specialists and social workers, we strive to help kids escape their unfortunate circumstances, even if only for a short period of time. We fulfill special requests and host special events for the kids with our partners cultivating a supportive environment for families and healthcare workers. Whether we are stocking a snack pantry or celebrating a holiday, we love to deliver whatever is needed to make a difference in a child's life.
